Administrative Law Judge
PO Box 43172

Dear Mr. Wallis:

Today Intervenors Save Our Scenic Area (SOSA) and Friends of the Columbia Gorge submitted prefiled testimony for J. Richard Aramburu (Exhibit 29) and Robert Michaels. SOSA and Friends are also filing an objection to certain testimony and exhibits offered by the applicant.

In addition to the foregoing, We intend to call a witness from BPA, likely Elliott Mainzer, Executive Vice President, Corporate Strategy or another witness to answer questions regard BPA loads, resources, forecasts and integration. Since he is not under our control, prefiled direct testimony is not possible for him. If BPA will not voluntarily make such a person available, we will ask that EFSEC issue a subpoena for attendance of such a witness.

Should any questions arise regarding these matters, please do not hesitate to contact the undersigned.

Sincerely yours,

ARAMBURU & EUSTIS LLP
